

Dear Colleague,

The third Edition of the Euro-Mediterranean Symposium on the Advances in Geomaterials and Structures will be organized from 5 to 7 may 2010 at DJERBA– Tunisia.

For further information, we are pleased to invite you to visit our website:

www.ags10.com

This edition is subdivided in to 9 special sessions and a general session (see the section of topics in the website). For the special sessions, please contact the head organizer of the session. For the general session, please contact the general organization of the symposium.

Thank you for contributing to the success of this challenge and see you in Tunisia.

Looking forward to welcome you in Djerba in 2010,

with our best regards,

Félix Darve

President of the Scientific committee

Hedi Hassis

President of the Organization committee
